2. These kits are loaned **free-of-charge** to schools or parents of participating students.
3. All requests for kits shall be sent by the schools' CIFF Representative Teacher or participating student by dropping us an email on [schools@ciff.ae](mailto:schools@ciff.ae). However, if the camera kit is requested by student directly, the Parents/Guardians will have to take the responsibility and sign the Undertaking agreement.
4. Each team will be loaned only one DSLR Camera Kit for a maximum duration of 1 week (7 days). Extensions to this time period of loan are not encouraged but can be considered under exceptional circumstances.
5. It will be the schools' or parents' responsibility to pick-up and drop-off the kit from/to the location specified in our email. All pick-ups & drops-offs should take place on or before 04:00pm on the confirmed dates.
6. The schools' CIFF Representative or the Parents will sign the undertaking at the time of picking up the kit. 7. Once hired, the signatory of this undertaking will take full & complete responsibility of the equipment.
8. The camera should be handled with utmost care causing no damage or fault of any sort. In the event that a damage or fault is observed at the time of drop-off, CIFF shall charge the school or the parent and the school or the parent agrees to pay any and all charges incurred in repairing the damage or correcting the fault.
9. No internal parts, fittings or accessories of the camera should be removed for any reason whatsoever.
10. The camera kit should be returned in its original condition along with the package(s) within the agreed time period to CIFF.
11. CIFF shall charge and the signatory agrees to bear all financial costs involved, should there be any incidents including but not limited to partial/full product damage, loss, theft or minor/major faults.
12. Nikon Middle East FZE, Dubai shall decide & declare the estimated cost of repairs for damages (if any) and the signatory agrees to remit such costs to CIFF. All such costs will be final & non-negotiable.
13. The camera should be returned to the confirmed location on or before 04:00pm on the committed date of return. Any late returns will attract a fine at the rate of AED 250 per day.
